Kindest Friend

Yours affly  
Robert Clark was a joy to  
know you was well and  
enjoying good health. But sorry  
to hear you were going to Texas.  
I will be glad to see you and  
your party but I do not know  
just now whether you can come  
next Sunday, but you will be  
here to come Sunday week. Wish  
to see one who looks so
